Behavior Observation – Starting/Completion Tasks

Student: _____ Grade: _____ Date: _____

Class/Teacher Name: _____ Observer Name/Title: _____ Time: _____

Directions: During the observation, give a brief description of each assigned task. Then record the time that the student and peer start the task(s) and record the time that both student and peer complete the task(s). There may only be one task or there may be more than two during the observation. If there is only one task, disregard Task #2, if there are more than two assigned tasks, use two of these forms or simply record it to the side.
